August, full of highlights for Dunnikier Park

We had another very successful month with many highlights including the opening of "The 2019 Course", the rearranged Jim Bousie Memorial day, a family barbeque and 6 hole competition, the Maggie's golf day, the FiFab Corporate day and we also hosted the first event of the Winter Alliance Series for 2019/20.

The level of positive feedback from the many visitors on their experiences both on and off the course has been fantastic. A huge vote of thanks to our staff and also Albert and his team on the golf course.
